

## Replacement instructions of W2070-3 series toner cartridge

### HP Original Chip (image below)

[Please replace the HP OEM chip to our toner cartridge, and then install cartridge into printer]

### After installation, there're 2(two) option: Stop / Continue

The first option you see is "Stop", then please press the arrow key to select "Continue" and confirm

After select "Continue", the printer will show [Very Low Toner], it will Not effect the normal printing.

For your information, below is the Supplies Information Page to show the normal print.

[Please noted we also tested and confirmed the HP OEM chip can be reused to our W2070 series toner cartridge.]
